HealthQwest expects payment in full at the time services are rendered. Charging will be limited to 1 day ONLY and any unpaid balance will accrue a \$1.00 per day finance charge (payable each day) until balance is paid in full. Credit card payments must be made in person by the cardholder with a valid ID. (A notarized 'Consent for the Use of Credit Card Form' authorizing use by someone other than the cardholder may be accepted.)

The daily cost of treatment at HealthQwest is \$12.00. Treatment includes, but is not limited to medical and administrative costs, medication, counseling, labwork, and physician visits. If you fail to attend treatment on any given day, your account balance will be charged the \$12.00 daily treatment fee when nightly processes run at the end of the day.

You will not be dosed if you arrive late. However, occasionally HealthQwest is able to extend the courtesy of 'late dosing'. Fees incurred for late dosing are \$20.00 per 15 minutes late. Patients must call prior to end of dosing hours to confirm the late dosing option is available.

If you are having financial difficulties or trouble paying for services, please make an appointment with the Clinical Director.
