HealthQwest expects payment in full at the time services are rendered. Credit card payments must be made in person by the cardholder with valid ID. (A notarized ‘Consent for the Use of Credit Card’ form authorizing use by someone other than cardholder may be accepted), unless otherwise referred from an outside contract agency.

You will not receive services if you arrive late. However, occasionally HealthQwest is able to extend the courtesy of ‘late dosing’. Fees incurred for late dosing are \$20.00 per 15 minutes late. Patients must call prior to end of dosing hours to confirm the late dosing option is available.
